

# ATTENTION NEW RECRUITS:

*"...Cadets of The Galactic Academy, the very best and brightest from across the galaxy, are taught the skills to build forces to be held in awe by any opponent. Whether they are drilled by Sith Lords from the Imperial Corps or trained in the ways of the FORCE by a Jedi Master, every cadet will receive all the training they require to join our elite ranks.*

*Whatever their specialty only the most capable, iron-willed and dedicated will be chosen to progress through the ranks of The Galactic Academy. But be forewarned: the life of a cadet is hard grueling work. Only the best can ever hope to survive the process but those lucky few will earn their Academy Medals and become the envy of the galaxy.*

# IS THIS SAFE FOR KIDS?

The Galactic Academy practices strict online safety. No vital information about any member is ever kept by our staff nor shared with the public on our website. Pictures can be uploaded with masks/helmets on to conceal kids faces. Pseudonyms are acceptable. No proof of birth date is required for age groups; parents are free to provide a 'graduation date' for use in promoting through the ranks. Events are unofficial and all members are always the responsibility of their parents or guardians.

The Galactic Academy, an independent club, is NOT affiliated with the 501st Legion, the Rebel Legion or any other STAR WARS™ fan club. We often appear at many of the same community events and conventions as these groups. While we encourage co-operation and aspire to work beside other STAR WARS™ clubs, we place no official affiliations or obligations on these groups.
